If you're looking for the perfect outcross mare, here she is. She's got the size, balance, and looks that will cross well on today's stallions. Lots of potential here. She cut her front foot along the coronary band as a yearling, it's fully healed but we're selling her as broodmare sound. (it doesn't affect her ability to fly across the pasture).

We have made this cross many times, and they all have been good minded, big boned and footed, good withered and very athletic horses, but we can't keep them all. They are exceptional riders with a quiet disposition for trail/fun shows or bring in cattle, can also pull a cart all day. He will be as wide as he is tall. His mother is Impressive bred with the big hip. He was raised on the farm, he is handled daily, stands tied, leads, loads in the trailer, nice mover with a great head on him. He would make an exceptional family horse. You won't be disappointed and will get lots of compliments where ever you go. University of Kentucky DNA Test included. Carrying the gypsy trait, lots of feathers, and a long mane and tail.

This is a really nice 15.2 hand mare that anyone can ride. She's an easy keeper, born and raised on our ranch! She's bred to run, but we've just used her for ranch work, trail riding, and as a lesson horse for kids of all ages. This mare rides based off the experience that you have, the more you know, the more responsive she is and faster she will go. Goldie can be pastured for months, saddle her up and she'll ride off without an issue; she's a very versatile mare and unlimited options. In March, she received combination shots including West Nile, new coggins pulled, wormed, teeth and hooves all up to date as well. Vet inspected health certificate included with her paper work.

Check out this flashy guy! King is a gorgeous 44" registered Shetland Pony. He is 12 years old and has been with our family for the past 7 years. If you can name it, we've probably used King for it. He has been extensively trail ridden, hauled to a ton of fun shows, used for 4H lessons, parades, herding cattle, tracking a roping dummy, some trick riding, jumping, and also pulls a cart or a wagon. This little guy does it all! He has never foundered or had any health or lameness issues.

2018 model bay gelding, stands about 14.1 - 14.2, loads and hauls good, good flashy horse, will do anything you ask him to do, moves around nicely, has some handle on him, have had him around cows, trail rides, quick footed, easy to walk up to and catch, 100% sound. Would make a good ranch horse as he's stocky! But ready to go in any direction, he is more for experienced riders.

LIL RED

84

3/8/2015 • GELDING • SORREL • GRADE
OWNER: GEORGE ACREE

This is a gelding we raised and has been trained by a professional trainer for 8 months. He has been taught the basics on the ground as well as for the show ring, crosses obstacles on the trail, and started as a calf roping horse. He is only started as a calf horse, not a finished calf horse, you can rope a calf and he will work the rope. He loves being groomed, bathed, he stands for the farrier, he also loads in the trailer easy, he has had numerous stays at rodeos in large stall barns and portable outdoor pens. He is great for trail riding and could also be used for pleasure horse classes, he lopes, trots, stops and backs with a light hand. He needs a rider with a light hand and patience, he has bucked before with a young rider that was entirely too aggressive. Blind in right eye due to a cataract.

Loads, bathes, does great for farrier, trailers well, no kick or bite. Been ridden at Shawnee Forest, rides good with a group. Handles well on the ground. Easy keeper. Had teeth done recently and up to date on 5 way shot. Ramsey really loves attention and being brushed, easy to catch and will meet you at the fence.

Indy is a quiet 17 hand all around show gelding. Does it all from on the flat English (HUS, Equitation, even over fences) to rocked back Western (horsemanship, western pleasure, trail). He has a flying lead change and is a steady eddy out on the trails. Even handles our extreme trail course. Safe enough for anyone on the ground or in the saddle. He stands still for mounting, ties for hours, hauls well, clips and is good for the farrier. Had years of professional training, currently with World & Congress Champion Robert Johnson of Miller, MO.

She's extremely athletic and a quick mover. She's been used in cutting, sorting, and doctoring cattle on the ranch. We have hauled her with the rodeo picking up broncs and started roping out of the box. She has been trail rode all over Arizona, Colorado, and Missouri. She has a ton of heart, talent and will go all day.

MEC Hickory Boon is a 4 year old 15.1 hand AQHA registered gelding. Been hauled everywhere since he was a baby! Has been ridden in the arena, pasture, and trail rides. Naturally athletic, smart, curious, and cowy. I had just started him on the barrel pattern. He is very friendly which makes him easy to catch, load, and stand tied. Up to date on all vet work and is very good for the vet and farrier. HD is also eligible for the IQHA Ranch Horse Futurity. I purchased HD when he was 7 months old with a plan to sell him before I go off to college.

Gambler is 15.1 hands, and a good looking red dun. He has been ridden in many states by 10 year olds to 70 year olds. He's been professionally trained for reining and backing and has some experience with roping. He has an energetic gait and wants to get out and go places. He is easy to catch, trailers well, gets along with other horses, and has been around dogs and 4 wheelers. He has no buck, bite, or kick and stands great for the farrier.
