Her grand dam on her top side was the top producing race broodmare in AQHA history. On her dam side she goes back to Leo and Poco Bueno so she will make a very vercitle prospect. Really nice big, stout, mare that was ridden before becoming a broodmare. She is one that you can ride again too. Great mother that foals and breeds easy. Colts are always some of my best. Exposed to a really nice dun stud for April 2027 foal. Only reason she is for sale is that my help is going to college and I need to trim down.

She used him for rodoes (barrels and poles), play days and trail rides. He is gentle under saddle and has a rocking horse style lope. More whoa than go for a thoroughbred but he can go. He has a great stop and loves people.He will come when he's called by name or a whistle. Gus has been a good confidence boost for our rider but unfortunately they do not click. He has shoes on all four feet because he has thin soles. He does well for farrier. Gus does occasionally pull back when tied. He does great with a pull back halter and will come with his. He is UTD on shots and coggins. Gus is looking for his forever home with someone who wants to spend time with a great guy.

Cash is a beautiful 3 year old 14.1 unregistered gelding. Cash has been through the Fundamental and Intermediate Ground Work Series. Cash loads, stands tied, gets along with other horses and has great ground manners. Cash is a very fast learner and wants to please. Cash is uncomfortable with a back cinch and spurs and will buck whenever used on him. I had approximately 12 rides on him and be did throw me off. Hopefully, cash can overcome this and be the fantastic horse I believe he can be. He has a natural low headed top line with a smooth trot and lope. I was told by previous owner that he is all cow bred. Cash has been vet checked and confirmed as a 3 year old. Current on all vaccinations, trimmed and worming.

OWNER: KEN SCHIENBEIN

Good-looking, stout, 12-year-old paint, draft, quarter pony, big enough for adults. He rides like a big horse and can cover some ground. Smooth, quiet, and fun to ride. Been used to work cattle, trail ridden through northern Mississippi trails and rivers, Minnesota trails. He walks over tarps, logs, poles with no problem. Doesn't shy away from anything. He is very friendly, good on the ground with kids and has been used for leadline with them. Prefers riding trail or pasture; doesn't care for the arena work. He is a good looking, stout little horse. 100% sound.
