"SJ" is a beautiful filly. She has a nice hip and a babydoll head. Sire is a dual earner in NRCHA and NCHA. Dam is a money earner of \$6,000 +/- in NCHA. She is 5-panel negative through parentage. This cute filly has a pedigree to back her beauty and brains. She would excel in the cutting pen or reined cow horse, eventually make a great broodmare.

"Injun" is a super stylish, coal black & white stud colt. Although just a year old May 17, this colt is really going to be big. He's well-balanced, developing enough muscle to do a day's work, and has the athletic ability and moves to be a top performer. Injun has a super pedigree and is by a proven sire of performers and money earners in a variety of events. Injun will mature to a 15+ hand, 1200 lb horse with a lot of gristle. He is very inquisitive, easy to handle, and ground work has been started. A fancy performance prospect that can go any direction you choose.

"Reed" is a well-mannered, dependable gelding, who's been used primarily for trail riding over the past year. He's confident riding alone or in a group and responds well to cues with a nice handle and willingness to move out when asked. He stands quietly for the farrier, trailers well, enjoys a bath, and is easy to work around. A recent x ray showed slight navicular changes to his left front, which is successfully managed with corrective shoeing.

He has also spent time in the Kansas Flinthills doctoring grass cattle. He also does well on the ground, loads, ties, stands for the farrier, etc, and ground ties fairly well. 2014 AQHA bay mare. Lou is bred to fly, being by an own son of Mr Jess Perry and out of a Corona Cartel mare. She stands 15.2 and is a beautiful mare, conformationally correct and 100% sound. Lou will W/T/C nice collected circles and is cruising a nice barrel pattern. She has the motor and handle to be an easy 1/2D jackpot horse. Moves off leg pressure, soft and supple in the bridle, and is a free-running type mare. Ready to be hauled and she'll start pulling checks! She's easy to handle and be around, not marish at all. Turns out well in a mixed herd or stalled. We have had limited opportunities to haul her due to a baby, but she's handled the sights with ease and has a great mind.
