"Sarah" is a 14.3-hand registered quarter horse mare. She came off a ranch in Owanka, South Dakota, where she was given an excellent start riding prairie, checking cattle, and introduced to a lot of trails and terrain. Since then she's been ridden countless miles on all types of trails and terrain in IA, MO, SD, ND, WY, ID, MT and spent winters in AZ. She's easy to handle, loads, bathes, clips, stands tied, and stands for farrier. She rides alone as well as in a group and is very comfortable to ride. She crosses water, bridges, mud, down trees, etc. In the arena, she has a nice soft trot, picks up her leads at a lope both directions, nice stop, back, side passes, turns on hindquarters, and forehand. A nice, pretty young mare with a great start. Best suited for an intermediate rider to continue developing her confidence.

Nice 4-year-old gelding, about as nice as you'll find! He's got lots of miles, is gentle to be around, pretty, and has a great pedigree. He has a lot of run and is a true using horse with the experience and ability to get a job done. He stands good for the farrier and is used to working both inside and outside. He's been team roped, worked at a feed yard, used to catch cows, and trail ridden. He's never taken a bad step and will work a rope. His granddad on the top side is One Famous Eagle, a two-time World Champion sire and three-time All American Futurity sire, with a current stud fee of \$15,000. A well-rounded, athletic young horse with a great mind, plenty of miles, lots of run, and the pedigree to back him up. A true using horse that you can put to work! Nice 4-year-old gelding, about as nice as you'll find! He's got lots of miles, is gentle to be around, pretty, and has a great pedigree. QUARTER HORSE

Josie is a 10 year old Crossbred mare that we have owned 7 years. She was my trail horse and in training a year before we started breeding her. She has raised us about \$50,000 worth of babies. All her offspring have been roans with great conformation and great minds. Josie came open this year but was vet checked and is sound to breed. However, I'm riding to many horses so we decided to be done breeding. Beginning of August after being off 6 years, I saddled her up and Josie rode off like she always had. This mare is fancy broke like one of our show horses. Josie is not a typical Crossbred. She is athletic, pretty mover, soft, responsive and she can stop. You won't find a sweeter, more intelligent horse. We will miss her. Videos will be available on my Facebook page or call 217-430-0875 for more information. She sales 100%.

He has loads of shape, foot, and bone with a soft eye to wrap it all up. Along with his stunning looks, Shiner has a lot of experience to go with him from trail rides to checking cattle and even roping the team roping dummy. Cash is a 12-year-old buckskin that is bred for working cattle and has proven himself to be an excellent ranch horse. He has been used for checking fences, checking cows, herding and sorting cattle as well as roping calves in the pasture for doctoring. Cash is excellent on trails and will go anywhere you ask him to. He has a good drive and a quick pace that covers ground quickly and efficiently. He is safe around vehicles, ATV's and tractors and loads quietly in the trailer.

He's been to the Baker Spain chuckwagon races for the past 2 years. Goose has been ridden through town and even through the Sonic drive through. He has a very kind and willing personality and is in your pocket wherever you go. Stands for the farrier, stands to be bathed and groomed, and loads and hauls with ease.
