

Dear Business Owners,

Thank you for advertising in our horse catalogs this year. Lolli Livestock Market will continue to provide advertising opportunities in all of our upcoming horse catalogs, and we look forward to serving you and your business.

Lolli Livestock attendees continue to look to our owners and office staff for recommendations for everything from truck repair or towing to restaurants and hotels. Here is your chance to reach this market.

In 1947, Frank Lolli began his auction business that has continued to grow under the ownership of his sons, Domini, Frankie & Timmy. The 3<sup>rd</sup> generation, Joseph, Cody & Jordan have also joined the tradition in the livestock business.

Lolli Livestock Market holds horse sales four times a year with a printed catalog. These catalogs are in high demand and are referred to frequently prior to and during the auction. As an added value to advertisers, this catalog is also available to view on our website, [www.lollibros.com](http://www.lollibros.com). We also take pride in sharing your ads on our Face Book page as each sale approaches.

We look forward to offering our Macon area community the opportunity to promote their business as well as provide our customers with local, accurate and up-to-date information.
